STEP BY STEP GUIDE FOR CHANGELLY

Changelly supports a wide variety of cryptocurrencies and has super low exchange fees. Deposits are made simple through a single-step process where you use your card to buy and immediately send Bitcoin to fund your BookMaker account.

IMPORTANT! Changelly can be used for depositing to your BookMaker account but cannot be used for withdrawals. For making withdrawals, we recommend using a different exchange wallet such as Edge App, Coinbase, CEX.IO, or Bitstamp.

1) CREATING YOUR CHANGELLY ACCOUNT

Haven't created an account at Changelly yet? No worries, it's incredibly quick and easy.

Just head to <https://changelly.com/> hit the **Sign Up** button and follow these steps:

1. Enter your email address and hit **Continue to exchange**
2. An **email confirmation** will be sent to you
3. Hit the link in the email to be taken back to the Changelly page
4. You will then receive a second email containing your password (you can change this at any time by going to **'Account'** -> **'Settings'** in the top corner)

2) BUYING BITCOIN AND DEPOSITING TO BOOKMAKER

Once you are registered, you'll be taken straight to the page where you can buy Bitcoin.

Enter amount – in the 'YOU SEND' field, select USD and enter the amount you want to spend. In the 'YOU GET' field, enter BTC (or chosen cryptocurrency) you want to receive. Agree to the Terms and hit **Next Step**

Enter address – next, you will need to enter the address the Bitcoin will be sent to. There are a few ways you can do this:

- We recommend using the address from your personal wallet, such as Edge App, AirBitz or Mycelium. Once the funds are sent there, you can move them to your BookMaker account.
- If you don't have a personal wallet, you can hit the **"don't have one?"** link to register an account with **Freewallet**.
- Or, if you prefer you can enter a receiving address for BookMaker to have the funds sent directly to your sports account.
